# About Community Lodgings

Founded in 1987 by 8 Episcopal churches to address the homelessness epidemic in Alexandria. Community Lodgings' mission is to lift families from homelessness and instability to independence and self-sufficiency.

Through our Affordable Housing, Transitional Housing, and Youth Education Programs, we provide clean, stable housing for families and supportive out-of-school time activities for children.

We strive to build a brighter future and instill hope in the families we serve.

## About the 80's Journey through the Decades
